

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 97-440-C - ORDER NO. 98-344

MAY 14, 1998

IN RE: Application of Paradigm Communications)	ORDER
Corporation DBA Global Communications)	APPROVING
Network for a Certificate of Public)	APPLICATION
Convenience and Necessity to Provide)	
Intrastate Resold Telecommunications)	
Services within the State of South Carolina.		

This matter comes before the Public Service Commission of South Carolina (the "Commission") by way of the Application of Paradigm Communications Corporation d/b/a Global Communications Network ("GCN" or the "Company") requesting a Certificate of Public Convenience and Necessity authorizing it to provide intrastate resold telecommunications services in the State of South Carolina. The Company's Application was filed pursuant to S.C. Code Ann. §58-9-280 (Supp. 1997) and the Regulations of the Public Service Commission of South Carolina.

The Commission's Executive Director instructed GCN to publish, one time, a prepared Notice of Filing in newspapers of general circulation in the affected areas. The purpose of the Notice of Filing was to inform interested parties of GCN's Application and of the manner and time in which to file the appropriate pleadings for participation in the proceeding. GCN complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No Petitions to Intervene or Protests were filed.

A hearing was convened on April 15, 1998, at 10:30 a.m. in the Commission's Hearing Room at 111 Doctors Circle, Columbia, South Carolina. The Honorable Guy Butler, Chairman, presided. Bonnie D. Shealy, Esquire represented GCN; Florence P. Belser, Staff Counsel, represented the Commission Staff.

Nils Shapiro, President of GCN appeared and testified in support of the Application. The record reveals that GCN is a California corporation which is registered to conduct business in South Carolina as a foreign corporation. According to Mr. Shapiro, GCN proposes to offer resold telecommunications services including direct dialed (1+) service and debit card services. Mr. Shapiro explained the Company's request for authority and the record reveals the Company's services, operations, and marketing procedures.

Mr. Shapiro also discusses GCN's technical, financial, and managerial resources to provide the services for which it seeks authority to provide. Finally, Mr. Shapiro testified that GCN will operate in accordance with Commission rules, regulations, guidelines, and Commission Orders.

Counsel for GCN indicated that the Company agreed with suggestions from Staff regarding certain tariff provisions and stated that the Company would incorporate those changes in the final tariff.

After full consideration of the applicable law, the Company's Application, and the evidence presented at the hearing, the Commission hereby issues its findings of fact and conclusions of law:

FINDINGS OF FACT

1. GCN is organized as a corporation under the laws of the State of California and is authorized to do business as a foreign corporation in the State of South Carolina by the Secretary of State.
2. GCN operates as a non-facilities based reseller of interexchange services and wishes to provide its services in South Carolina.
3. GCN has the experience, capability, and financial resources to provide the services as described in its Application.

CONCLUSIONS OF LAW

1. Based on the above findings of fact, the Commission determines that a Certificate of Public Convenience and Necessity should be granted to GCN to provide intrastate interLATA service and to originate and terminate toll traffic within the same LATA, as set forth herein, through its own facilities and through the resale of intrastate Wide Area Telecommunications Services (WATS), Message Telecommunications Service (MTS), Foreign Exchange Service, Private Line Service, or any other services authorized for resale by tariffs of carriers approved by the Commission.
2. The Commission adopts a rate design for GCN for its services which includes only maximum rate levels for each tariff charge. A rate structure incorporating maximum rate levels with the flexibility for adjustment below the maximum rate levels

has been previously adopted by the Commission. In Re: Application of GTE Sprint Communications Corporation, etc., Order No. 84-622, issued in Docket No. 84-10-C (August 2, 1984).

3. GCN shall not adjust its rates below the approved maximum level without notice to the Commission and to the public. GCN shall file its proposed rate changes, publish its notice of such changes, and file affidavits of publication with the Commission two weeks prior to the effective date of the changes. However, the public notice requirement is waived, and therefore not required, for reductions below the maximum cap in instances which do not affect the general body of subscribers or do not constitute a general rate reduction. In Re: Application of GTE Sprint Communications, etc., Order No. 93-638, issued in Docket No. 84-10-C (July 16, 1993). Any proposed increase in the maximum rate level reflected in the tariff which would be applicable to the general body of the Company's subscribers shall constitute a general ratemaking proceeding and will be treated in accordance with the notice and hearing provisions of S.C. Code Ann. §58-9-540 (Supp. 1997).

4. If it has not already done so by the date of issuance of this Order, GCN shall file its revised maximum tariff and an accompanying price list within thirty (30) days of receipt of this Order. The revised tariff shall be consistent with the findings of this Order and shall be consistent with the Commission's Rules and Regulations.

5. GCN is subject to access charges pursuant to Commission Order No. 86-584, in which the Commission determined that for access purposes resellers and facilities-based interexchange carriers should be treated similarly.

6. With regard to the Company's resale of service, an end-user should be able to access another interexchange carrier or operator service provider if the end-user so desires.

7. GCN shall resell the services of only those interexchange carriers or LECs authorized to do business in South Carolina by this Commission. If GCN changes underlying carriers, it shall notify the Commission in writing.

8. With regard to the origination and termination of toll calls within the same LATA, GCN shall comply with the terms of Order No. 93-462, Order Approving Stipulation and Agreement, in Docket Nos. 92-182-C, 92-183-C, and 92-200-C (June 3, 1993).

9. GCN shall file surveillance reports on a calendar or fiscal year basis with the Commission as required by Order No. 88-178 in Docket No. 87-483-C. The proper form for these reports is indicated on Attachment A.

10. The Company shall, in compliance with Commission regulations, designate and maintain an authorized utility representative who is prepared to discuss, on a regulatory level, customer relations (complaint) matters, engineering operations, tests and repairs. In addition, the Company shall provide to the Commission in writing the name of the authorized representative to be contacted in connection with general management duties as well as emergencies which occur during non-office hours. GCN shall file the names, addresses and telephone numbers of these representatives with the Commission within thirty (30) days of receipt of this Order. Attachment B shall be utilized for the provision of this information to the Commission. Further, the Company

shall promptly notify the Commission in writing if the representatives are replaced.

11. As a condition of offering debit card services, the Commission requires the Company to post with the Commission a bond in the form of a Certificate of Deposit worth \$5,000 drawn in the name of the Public Service Commission of South Carolina or a surety bond in the amount of \$5,000 which is payable to the Commission. The Certificate of Deposit shall be drawn on federal or state chartered banks or savings and loan associations which maintain an office in this state and whose accounts are insured by either the FDIC or the Federal Savings and Loan Insurance Corporation. A surety bond shall be issued by a duly licensed bonding or insurance company authorized to do business in South Carolina. This condition may be reviewed in one year.

12. If the Company sells its debit cards to retail establishments for resale of the debit cards, and the retailer of the debit cards deviates from the suggested retail price as filed in the tariff, or as approved by the Commission in a special promotion, then the Company will withdraw its cards from that retail outlet. This Commission strongly suggests that the Company enter into written agreements with its South Carolina retail outlets regarding this policy of abiding by suggested retail pricing prior to the outlet marketing the card.

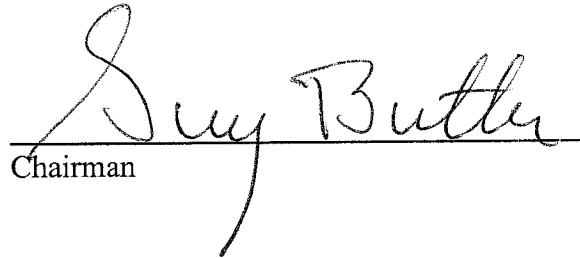

13. The Company is directed to comply with all Rules and Regulations of the Commission, unless a regulation is specifically waived by the Commission.

MAY 14, 1998
